July 10, 2015

Dear Stakeholders:

The California Road Charge Pilot Program Technical Advisory Committee (TAC) was formed in response to the enactment of Senate Bill (SB) 1077 (DeSaulnier, Chapter 835, Statutes of 2014). SB 1077 requires that the TAC study road usage charge alternatives to the gas tax, gather public comment, and make recommendations to the California State Transportation Agency regarding the design and evaluation of a road usage charge pilot program.

The TAC has met monthly since the beginning of 2015 and will continue these public monthly meetings for the remainder of the year. The TAC meetings are an opportunity for interested stakeholders and the general public to provide input to the TAC on the development of the road charge pilot program. The next TAC meeting will be held as follows:

July 24, 2015 - 9:00 AM to 3:00 PM  
Lake Tahoe Resort Hotel  
Stanford/Blaisdel Room  
4130 Lake Tahoe Boulevard  
South Lake Tahoe, CA 96150  
Webcast: <http://ctc.dot.ca.gov/webcast>

At the July meeting, the TAC will further consider the number and type of participants to include in the pilot, determine system data security requirements to use in the pilot program, adopt privacy principles, and undertake a comprehensive review of TAC policy and design decisions made to date.

Future meetings are planned as follows:

2015 Meeting Schedule	
August 26, 2015 – San Diego	November 20, 2015 – Los Angeles
September 16, 2015 – Eureka	December 11, 2015 - Riverside
October 23, 2015 – Bay Area	

An interactive website was established for the California Road Charge Pilot Program ([www.CaliforniaRoadChargePilot.com](http://www.CaliforniaRoadChargePilot.com)) to serve as the web platform during the actual pilot program implementation. Please feel free to visit this site to: [join the Interest List](#), [submit Comments](#), and [sign-up to Volunteer](#) for the pilot program.

I look forward to seeing you in South Lake Tahoe at the next TAC Meeting.

Sincerely,

Jim Madaffer  
Chair  
California Road Charge Pilot Program Technical Advisory Committee
