Dear Stakeholders:

The California Road Charge Pilot Program Technical Advisory Committee (TAC) was formed in response to the enactment of Senate Bill (SB) 1077 (DeSaulnier, Chapter 835, Statutes of 2014). SB 1077 requires that the TAC study road charge alternatives to the gas tax, gather public comment, and make recommendations to the California State Transportation Agency regarding the design and evaluation of a road usage charge pilot program.

At the June 2016 meeting, the TAC will discuss the status of recruitment efforts, pilot preparation, and road charge issues related to income equity and interstate travel. The agenda can be found [here](#). The TAC meeting will be held as follows:

June 24, 2016 – 10:00AM to 3:00PM
California Department of Transportation
1120 N Street, Basement Boardroom
Sacramento, CA
Webcast: <http://ctc.dot.ca.gov/webcast>

Additional information about the California Road charge Pilot Program can be found at www.CaliforniaRoadchargePilot.com.

I look forward to seeing you in Sacramento at the next TAC Meeting.

Sincerely,
