

Auto Manufacturers' Policy on Road User Charges

- Strongly Support the Effort to Address our Transportation Infrastructure Funding Needs
- Have Long Advocated for Increased Revenues & Alternative Mechanisms
- Position on Alternative Funding Mechanisms
 - Support Continue Study & Thoughtful Implementation
 - Automakers Do Not Want to Report on Drivers' Activities
 - Any Charges/Fees Should be Technology Neutral on Vehicle Power and MPG
 - No Plans to Use In-Vehicle Telematics for Road User Charges
 - Customer Privacy & Data Security Paramount
