Subject: **STIP AMENDMENT 16S-01**

RECOMMENDATION:

The California Department of Transportation recommends the California Transportation Commission (Commission) approve the requested State Transportation Improvement Program (STIP) amendment 16S-01, and authorize the project to proceed as an Assembly Bill (AB) 3090 Reimbursement. This item was noticed at the Commission's August 2016 meeting.

ISSUE:

The Metropolitan Transportation Commission, the San Mateo City/County Council of Governments and the San Mateo County Transportation Authority (SMCTA) propose to program an AB 3090 cash reimbursement project (PPNO 0668B) in order to use local funds for construction of the SR 92/SR 82 Interchange Improvements – Phase 1 project (PPNO 0668A) in San Mateo County. The SMCTA is requesting reimbursements over a two-year period beginning in Fiscal Year (FY) 2019-20.

BACKGROUND:

The SR 92/SR 82 Interchange Improvements – Phase 1 project will reconstruct and reconfigure the existing interchange. Once completed, these improvements will result in increased operational efficiencies.

SMCTA proposes to amend the STIP to revise the funding plan to advance project delivery with the use of \$5,000,000 in local sales tax (Measure A) funds for construction support, and request reimbursements in FYs 2019-20 and 2020-21.

This request follows AB 3090 Guidelines, which allow a local agency to use its own funds (non-state or non-federal) to complete a project component early to be later reimbursed with STIP funds currently programmed on the project.
