Active Transportation Program Project Application Subgroup

A subgroup has been formed to consult with for the development of the project application. In an effort to make the subgroup more efficient, the size of the subgroup has been limited. Therefore, not everyone who asked to participate was included, and only one person was included from any one organization (with the exception of Caltrans).

Any member of the workgroup who would like to provide input to the subgroup may contact Teresa McWilliam (916-653-0328, teresa.mcwilliam@dot.ca.gov), Caltrans Active Transportation Program Manager, or one of the subgroup members listed below. We will report back to the workgroup on the efforts of the subgroup.
