

## Draft 2017 Active Transportation Program Augmentation Guidelines

These guidelines are the policies and procedures specific to the use of 2017-18 and 2018-19 fiscal year funding from the Road Maintenance and Rehabilitation Account for the Active Transportation Program (ATP) – hereby known as the 2017 ATP Augmentation. The California Transportation Commission (Commission) is statutorily required to adopt the guidelines and selection criteria for and define the types of projects eligible to be funded through the ATP.

### I. Authority and Purpose

Senate Bill (SB) 1, signed by the Governor on April 28, 2017, directs \$100 million annually from the Road Maintenance and Rehabilitation Account to the ATP beginning in the 2017-18 fiscal year. The following policies and procedures address the use of 2017-18 and 2018-19 fiscal year funding from the Road Maintenance and Rehabilitation Account for the ATP. Unless otherwise expressly modified by statute or these guidelines, the Commission will follow the 2017 ATP Guidelines at [http://catc.ca.gov/programs/ATP/2017/Final Adopted 2017 ATP Guidelines.pdf](http://catc.ca.gov/programs/ATP/2017/Final_Adopted_2017_ATP_Guidelines.pdf).

### II. Funding and Programming Years

The 2017 ATP Augmentation is funded from the approximately \$200 million allocated from the Road Maintenance and Rehabilitation Account to the ATP in fiscal years 2017-18 and 2018-19. **The Road Maintenance and Rehabilitation Account funds are state funds. Therefore, projects funded in the 2017 ATP Augmentation do not need to be federal-aid eligible.** The initial programming capacity for the 2017 ATP Augmentation program is in fiscal years 2017-18 and 2018-19. Some fiscal year 2019-20 and 2020-21 programming capacity may become available as previously programmed projects request advancement into fiscal years 2017-18 and 2018-19.

### III. Distribution

The funding available for the 2017 ATP Augmentation will be distributed into the Statewide Component, the Small Urban & Rural Component, and the Metropolitan Planning Organization (MPO) Component, in the same manner as specified in Section II (5) of the 2017 ATP Guidelines. The 2017 ATP Augmentation Fund Estimate must indicate the funds available for each of the program components.

### IV. Schedule

The following schedule lists the major milestones for the development and adoption of the 2017 ATP Augmentation:

Guidelines Development Workshop	June 9, 2017
2017 ATP Augmentation Guidelines presented to Commission	June 28, 2017
Commission hearing and adoption of 2017 ATP Augmentation Guidelines	June 28, 2017
Call for Projects	June 30, 2017
Project submittals to Commission (postmark date)	August 1, 2017
Staff recommendation for Statewide and Small Urban & Rural Components posted	August 31, 2017
MPO project programming recommendations to Commission	September 29, 2017
Commission adopts 2017 ATP Augmentation - Statewide and Small Urban & Rural Components	October 18-19, 2017
Commission adopts 2017 ATP Augmentation - MPO Component	December 6-7, 2017

## **V. Project Eligibility**

Funding for the 2017 ATP Augmentation will only be available to:

- Projects programmed in the adopted 2017 ATP that can be delivered earlier than currently programmed
- Projects that applied for funding in the 2017 ATP but were not selected for funding

**Projects that were awarded funds in 2017 ATP will remain in the component from which they were originally funded. In other words, a 2017 ATP project awarded funding from the Small Urban & Rural Component will remain in that component and a 2017 ATP project awarded funding from the MPO Component will remain in that component.**

### **A. Statewide and Small Urban & Rural Components**

- 1) Projects that were awarded funds in the 2017 ATP Statewide and Small Urban & Rural Components may apply to advance one or more of their project components into the 2017-18 and/or 2018-19 programming years.
- 2) Projects that applied for funding in the 2017 ATP but were not selected for funding.

Scores can be found at the following link:

[http://www.catc.ca.gov/programs/ATP/2017/Final\\_Scores\\_2017/2017\\_ATP\\_All\\_Score\\_Score\\_Order\\_rev.pdf](http://www.catc.ca.gov/programs/ATP/2017/Final_Scores_2017/2017_ATP_All_Score_Score_Order_rev.pdf).

In the event Commission staff determines that there are not enough viable projects submitted in the 2017 ATP to fully utilize the funds available in the Statewide and/or Small Urban & Rural Components of the 2017 ATP Augmentation, the Commission may elect to hold a 2017 ATP Augmentation supplemental call for projects.

### **B. MPO Component**

- 1) Projects that were awarded funds in the 2017 ATP MPO Component may apply to advance one or more of their project components into the 2017-18 and/or 2018-19 programming years.
- 2) Projects on the MPO 2017 ATP contingency list.

In the event an MPO determines that there are not enough viable projects from their 2017 ATP MPO contingency list to fully utilize the funds available in their 2017 ATP Augmentation component, the MPO may hold a 2017 ATP Augmentation supplemental call for projects. An MPO making such a determination must, by August 31, 2017 submit a letter signed by the Chief Executive Officer explaining the basis for the determination. A supplemental MPO call for projects must utilize that MPO's 2017 ATP guidelines. Recommendations for funding, along with copies of all applications received, must be submitted to the Commission by September 29, 2017.

## **VI. Project Selection Process**

All projects applying for funding in the 2017 ATP Augmentation, including projects with no change to the schedule or funding plan, must submit the following supplemental application material.

### **A. Supplemental Application Material**

- 1) Updated Schedule and Funding Plan

Each applicant must submit a Project Programming Request Form. A template of this form in Excel may be found at [www.dot.ca.gov/hq/transprog/ocip/2016stip.htm](http://www.dot.ca.gov/hq/transprog/ocip/2016stip.htm). The Project Programming Request Form must list Federal, State, and local funding categories by fiscal year, and must include an updated schedule (project milestones). The applicant must also include documentation that the availability of all other funds committed to the project are consistent with the updated schedule, i.e. the project must still be fully funded.

2) Authorization Letter

Each applicant must submit a letter, signed by the Chief Executive Officer or other officer authorized by the applicant's governing board, confirming that the project can be delivered in the time frame proposed in the updated Project Programming Request and that the project is still fully funded.

B. Criteria and Evaluation

- 1) Projects will be selected for the 2017 ATP Augmentation based on the project's 2017 ATP score and project deliverability according to the following priority order.
  - a. Projects that can deliver all components in 2017-18 and 2018-19.
  - b. Projects that can deliver one or more but not all of their components in 2017-18 and 2018-19. The capacity to program all components of these projects will depend on fiscal year 2019-20 and 2020-21 programming capacity becoming available as previously programmed projects are advanced.
  - c. Some fiscal year 2019-20 and 2020-21 programming capacity may become available as previously programmed projects request advancement into fiscal years 2017-18 and 2018-19. Therefore, other projects that applied for funding in the 2017 ATP (those that cannot deliver one or more of their project components in the 2017-18 or 2018-19 programming years) may compete for funding in the 2017 Augmentation.
- 2) As potential applicants review their projects schedules when they consider applying for the 2017 ATP Augmentation they should keep in mind that most of the available funding will be in fiscal years 2017-18 and 2018-19. Therefore, projects that can be delivered using these earlier year funds are more likely to be successful in the 2017 ATP Augmentation.

C. Submittal of Supplemental Application Material

Supplemental application material must include the signature of the Chief Executive Officer or other officer authorized by the applicant's governing board. Project applications should be addressed or delivered to:

Susan Bransen, Executive Director  
California Transportation Commission  
1120 N Street, Mail Station 52  
Sacramento, CA 95814

The Commission will consider only projects for which five hard copies and one electronic copy of the aforementioned supplemental material are submitted postmarked by the appropriate deadline. By the same date, an additional copy must also be sent to the Regional Transportation Planning Agency or County Transportation Commission within which the project is located and to the Metropolitan Planning Organization (a contact list can be found at [www.dot.ca.gov/hq/tpp/offices/orip/](http://www.dot.ca.gov/hq/tpp/offices/orip/)).
