

August 20, 2014
REPLACEMENT

CALIFORNIA TRANSPORTATION COMMISSION
Adoption of 2014 Active Transportation Program
Statewide and Small Urban & Rural Components

Resolution No. G-14-17

- 1.1 WHEREAS Streets and Highways Code Section 2384 requires the California Transportation Commission to adopt a program of projects to receive allocations under the Active Transportation Program (ATP), and
- 1.2 WHEREAS, pursuant to Section 2384, the 2014 ATP is a two-year program covering program years 2014-15, and 2015-16, and
- 1.3 WHEREAS, pursuant to Section 2381, the program will be funded by state and federal funds from appropriations in the annual budget, as estimated in the ATP Fund Estimate adopted by the Commission on December 13, 2013, with an amendment adopted on August 20, 2014, and
- 1.4 WHEREAS, pursuant to Section 2382, the Commission adopted ATP guidelines, to be applicable to the 2014 ATP development process, on March 20, 2014, and
- 1.5 WHEREAS the 2014 ATP Fund Estimate (with amendment) provided \$368.079 million in ATP programming capacity to be apportioned to Statewide (50%), Small Urban & Rural (10%) and MPO (40%) components, and
- 1.6 WHEREAS, pursuant to Section 2382(c), no less than 25% of overall program funds will benefit disadvantaged communities during each program cycle, and
- 1.7 WHEREAS, pursuant to AB 101, Budget Act of 2013, \$24 million of the annual funding for the Statewide component is for projects that fund safe routes to schools, with no less than \$7.2 million of that for non-infrastructure grants, including funding for a state technical assistance resource center, and
- 1.8 WHEREAS the total amount programmed in each fiscal year may not exceed the amount specified in the adopted Fund Estimate, and
- 1.9 WHEREAS the Commission staff recommendations for the 2014 ATP, Statewide and Small Urban & Rural components, were published and made available to the Commission, the Department, regional transportation agencies, and county transportation commissions on August 8, 2014, with revisions published August 15, 2014, and
- 1.10 WHEREAS the staff recommendations conform to the Fund Estimate and other requirements of statute for the ATP.
- 2.1 NOW THEREFORE BE IT RESOLVED that the California Transportation Commission hereby adopts the 2014 Active Transportation Program (ATP), Statewide and Small Urban & Rural components, to include the program described in the staff recommendations, including the attachments to this resolution, and
- 2.2 BE IT FURTHER RESOLVED that having a project included in the adopted 2014 ATP, Statewide and Small Urban & Rural components, is not authorization to begin work on that project. Contracts may not be awarded and/or work cannot begin until an allocation is approved by the Commission for a project in the adopted program, and
- 2.3 BE IT FURTHER RESOLVED that if available funding is less than assumed in the Fund Estimate, the Commission may be forced to delay or restrict allocations using interim allocation

plans, or, if available funding proves to be greater than assumed, it may be possible to allocate funding to some projects earlier than the year programmed, and

- 2.4 BE IT FURTHER RESOLVED that Commission staff, in consultation with the Department and regional agencies, is authorized to make further technical changes in cost, schedules, and descriptions for projects in the 2014 ATP, Statewide and Small Urban & Rural components, consistent with the Fund Estimate, in order to reflect the most current information, or to clarify the Commission's programming commitments, with report of any substantive changes back to the Commission for approval at the October 8, 2014 meeting.
