

Our prior comments on the draft RTP guidelines submitted to you on November 19, 2009 have been reflected in the Final RTP Guidelines dated January 5, 2010. Thank you for addressing our previous concerns under section "6.15 Transportation Projects Exempted from Senate Bill 375".

We also want to thank CTC staff, especially Susan Bransen, and all those that worked closely on the guidelines for their hard work and dedication to incorporate SB 375 requirements into the RTP guidelines.

Sincerely,

Shirley Medina
